Safety is Pace’s top priority. Pace encourages everyone to follow the Centers for Disease Control and Prevention recommendations to limit the spread of the virus that causes coronavirus disease (COVID-19).

- Wash your hands often with soap and water for at least 20 seconds (or use alcohol-based sanitizer if soap is not available).
- Avoid touching your face.
- Cover your cough and sneeze with a tissue or your upper sleeve.
- Clean and disinfect objects and surfaces you use frequently.
- Stay home if you are sick.
